Dear Sirs

Emil Kirkegaard v Oliver Smith
Claim number: QB-2018-000390

We write in relation to the above matter and confirm we act for the Defendant.

We have recently filed a Summary Judgment application together with a PRA Form for the same matter. The PRA form has now been accepted by a clerk but we are still awaiting approval of the summary judgment application.

We are grateful if this Application for an Unless Order could be listed at the same time as the Summary Judgment application. Therefore, the same PRA form will apply.

Yours faithfully

Debenhams Ottaway LLP
